

Quintessence: Choral Artists of the Southwest presents our seventh annual Summer Choral Festival Sunday July 28, 2019 3:00pm at the National Hispanic Cultural Center in Albuquerque, NM.

Become a Summer Festival Business Sponsor today!

We absolutely could not do this event without the support of our Sponsors and Donors and would like to invite you to join this family of generous businesses as we continue to grow this valuable musical arts event in Albuquerque.

Your Sponsorship helps us provide the highest quality experience for our participants and audience by aiding in:

- Choral scholar stipends
- Music rentals, purchasing, and fees
- Hiring the finest Albuquerque professional musicians for our orchestra
- Soloist and faculty fees
- Recording costs
- Rental facility fees
- Production rentals, crew, piano tunings, etc.

Our 2018 Summer Festival concert was performed to a nearly sold out audience with over 100 voices accompanied by our professional festival orchestra. Through the contributions of our festival sponsors and donors we were able to accomplish the following:

- a huge move to the National Hispanic Cultural Center
- a composer residency with Robert Cohen
- a partnership with the Alzheimer's Association of New Mexico
- expanding our Young Artist Program, The Quintessence Choral Scholars, to include more high school and college students from over 4 states.
- public workshops and presentations by our prestigious faculty.

The following sponsorship levels are available for businesses or non-profit organizations who would like to reach a large, musically inclined audience while supporting a community-wide arts event. Our email and social media reach has grown to 2500 over the last year, our audience for this event is over 500 and your name could be at the front!

Custom sponsorship packages are also available.
